Claims 41-62 are pending in the subject application. By this supplemental amendment, withdrawn claims 57 and 59 have been amended to correct typographical errors. Claims 41-45 read on the elected invention. Accordingly, claims 41-62 are currently before the Examiner (with claims 46-62 standing withdrawn from consideration). Favorable consideration of the pending claims is respectfully requested.

Applicants would like to thank the Examiner for the courtesy of the telephonic conference conducted with Applicants' undersigned representative's legal assistant on April 10, 2008. The remarks set forth in the Interview Summary Form dated April 16, 2008 are consistent with the substance of that interview where the requirement for the election of enzyme species was discussed.

Applicants believe that the pending claims are in condition for allowance and such action is respectfully requested.

Respectfully submitted,
